

Beaumont

Grand Canyon Regional Ophthalmology

June 8-9, 2019 • Flagstaff, AZ

Objectives

At the conclusion of this activity, learners should be able to:

- Practice the skills and knowledge indicated by the AAO Practice Emphasis Areas in the fields of pediatric ophthalmology, glaucoma treatment, corneal aberrations, toric IOLs and uveitis.
- Identify current and future issue in Health Policy that impact the practice of Ophthalmology.
- Utilize tools available to surgeons in the informed consent process for greater patient satisfaction.

CME Accreditation and Credit Designation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Beaumont Health and Arizona Ophthalmological Society. Beaumont Health is accredited by the ACCME to provide continuing medical education for physicians.

Beaumont Health designates this live activity for a maximum of 8.5 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Non-physician professionals should check with their individual credentialing bodies to confirm that participation in this CME activity will be approved for credit. CME credits can be used to meet the continuing education requirements needed for Michigan physician assistant and nursing relicensure without limitation.

Resolution of Conflicts of Interest: In accordance with the ACCME Standards for Commercial Support of CME, Beaumont Health implemented mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.

Unapproved Use: It is the policy of Beaumont Health to require the disclosure of all references to off-label or unapproved uses of drugs or devices prior to the presentation of educational content. The audience is advised that this continuing medical education activity may contain reference(s) to off-label or unapproved uses of drugs or devices. Please consult the prescribing information for full disclosure of approved uses.

Disclaimer: The information provided at this CME activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.
